

Access the Issaquah School District Intranet

1) Log into a computer and open Internet Explorer. Type in this URL:

<http://www.intranet.issaquah.wednet.edu>

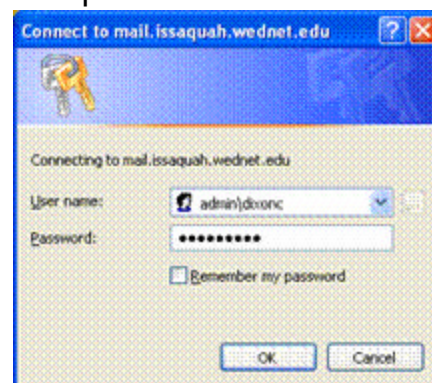

(This is an IntraNet - only available to district staff.)

2) You will need to log in. One of the two windows shown below will open.

3) If this window opens, type in your username, password, and domain in the appropriate boxes. See example.

3) If this window opens, type your "domain\username" in the top box, and your password in the lower box. See example.

4) Click on a link to access information.
